(ENCLOSURE)

Dear Mr. Dulles,

Will you please send me an autographed picture of yourself, as I would like very much to have it to add to my collection. I have received signed photos from Pres. Eisenhower, Richard Nixon, Franklin D. Roosevelt, Christian Huter, Henry Cabot Lodge, J. Edgar Hoover and quite a few others.

Thanking you and wishing you good health,

Sincerely,
Eddie Walker.

February 12, 1960.

Dear Mr. Dulles:

As the person responsible for The Sun's general position (as distinct from our news coverage) on national security, I confess that I am disturbed and confused by the conflicting nature of the record that I have to go on. I know that you have recently found time to talk with several members of our Washington staff, and I am wondering whether you could find it possible to give me a few minutes of your time in the fairly near future? A half-day's notice would be sufficient.

If this is at all possible, the easiest way for your secretary to get in touch with me is by calling our Washington Bureau (DIstrict 7-1234) and asking for me in Baltimore. I normally reach my office at ten in the morning.

Sincerely,

Philip M. Wagner,
Editor.
